

Dear Sir or Madam,

As recently announced, we are very pleased that our partners, the IAA Sections and the Institut des Actuaires in France have decided to host their cancelled Paris Sections Colloquium on actuvview instead. Next week, the Section Virtual Colloquium (SVC) 2020 will feature an extensive program with high-class speakers from around the world with 75+ pre-recorded presentations and 7 live sessions!

We hope you'll enjoy the program of the Section Virtual Colloquium 2020!

75+ recorded presentations await you as well

Many speakers scheduled for the actual event in Paris followed the call for presentations also for the virtual event. The program of the Sections Virtual Colloquium will present more than 75 contributions from 5 topic areas: AFIR-ERM, ASTIN, LIFE, IACA (Consulting) and PENSION BENEFITS & SOCIAL SECURITY.

To follow the event, you need to create a free account on actuvview.

- Go to the actuvview website you will find the user "Register" in the upper right navigation bar.
- Please enter your own first name you registered with your section in the "E-Mail Code" field and click "REGISTER".
- After this you modify your user name, the e-mail address and your password.
- Immediately afterwards you can login with your new user name and the assigned password.

Become an IAA Section member

Such an event would not be possible without high commitment of its hosts. For their members, the Sections of the IAA regularly organize colloquia, seminars and regular webcasts. They are international forums for networking and the exchange of knowledge in their corresponding areas of practice.

Be part of an inspiring, active group of professionals and help to raise the profile of actuarial research and development:

EAA e-Conference on Data Science & Data Ethics: Register for live sessions

The EAA offers all interested actuaries and other experts a forum for knowledge exchange: On 29 and 30 June 2020, the first EAA e-Conference on "Data Science & Data Ethics" will be published on actuvview.

The program combines keynote speeches from well-known experts with food for thought and selected talks from professionals through a call for papers. It also includes four exclusive live web sessions during the two days. The registration for these sessions is limited, [save your free seat here](#).

aoc2020: Call for Presentations open until 24 May

In September 2020, actuvview will be hosting its own online event – the actuvview online conference, aoc2020. Under the overall theme "future | actuary", the aoc2020 will feature a series of sessions on current developments in the actuarial profession and address future challenges for actuaries inside and outside the financial industry in the age of digital change.

All partners and users of actuvview, but also all other interested actuaries and experts from around the world are invited to participate and contribute to this special event. Please **submit your proposal** for presenting a recorded session including a short abstract and some information about you and your affiliation until the 24 May 2020 via the online form on aoc2020.actuvview.com.

We hope you will join us for the upcoming conferences. If you have any comments, questions or suggestions, please don't hesitate to write us an e-mail: contact@actuvview.com. Have a good week and stay healthy!

With kind regards
