

To join our recently set up and rapidly growing actuarial team, we are looking to hire a talented and driven

Senior Actuary

Who we are

Transamerica is a leading US life, health and pension insurance company (within the top 10 life insurer on the US market) with a seasoned history. Transamerica is part of the Aegon group. As of June 2023, the company maintains an Available Capital of USD 6.3 billion and boasts a workforce of approximately 10.000 employees. Aegon group currently has more than 300 professionals in Budapest, serving the group and its subsidiaries across the globe including Transamerica.

Transamerica set up a new actuarial team to support its actuarial operations in the US in March 2023, and are currently a team of 5 with plans to grow significantly in the coming months and years. We are aiming to serve a broad-cross-section of the US actuarial operations including model validation, model development, experience analysis work, pricing, valuation and reporting.

What we are looking for

- High degree of actuarial professionalism
- Demonstrated track record in life, health, or pension actuarial field in either consultancy or corporate roles
- Self-starting, pro-active, energized and 'can-do' attitude is a must
- Outstanding technical and IT skills
- Knowledge of actuarial software (i.e. Prophet, AXIS, MoSes) is a plus
- Proficiency in English
- Outstanding communication skills
- Passion to learn and grow professionally
- Ability and willingness to mentor, guide and oversee at least up to a couple of junior actuaries

What you can find with us

- Exciting opportunities as a key member of a new and rapidly growing team
- Challenging actuarial work, covering a broad spectrum of life & health of your liking
- Professional growth in a broad spectrum of the actuarial arena
- Truly competitive remuneration (vis-a-vis Hay's salary guide)
- Your own personal training budget to continue your professional development
- Remote work option with only 1 day per month on site
- Flexible working hours, very good work life balance
- Friendly team – in Budapest and in the US as well
- Centrally located modern office in Corvin district
- Potential to grow into managerial role in an evolving, new organization
